

# *Actuary of Tomorrow*

---

---

## Stuart A. Robertson Memorial Scholarship

This scholarship opportunity was established in 2006 in Stuart Robertson's name to honor his dedication to excellence and to recognize his tremendously positive influence on the professional lives of many colleagues. Mr. Robertson, a distinguished actuary, co-founded and served as CEO and Chairman of the actuarial and consulting firm Milliman & Robertson (now Milliman, Inc.) over 50 years ago.

### **PROGRAM**

The *Actuary of Tomorrow* Scholarship recognizes and encourages the academic achievements of undergraduate students pursuing a career in actuarial science. The Actuarial Foundation will provide an award of \$7,500 for education expenses at any accredited U.S. educational institution. This award will be forwarded to the college/university of recipients' choosing or other arrangements may be considered on an individual basis. The Actuarial Foundation independently manages this program. Awards are made without regard to race, color, creed, sex, religion, disability, or national origin.

### **DEADLINE**

All application materials must be submitted together and must be postmarked on or before **June 1<sup>st</sup>**.

### **ELIGIBILITY REQUIREMENTS**

- ▲ Applicant must be a full-time undergraduate student entering as a sophomore, junior or senior in the fall 2010/2011 term and not a previous recipient of the scholarship.
- ▲ Must have a minimum cumulative GPA of 3.0 (on 4.0 scale).
- ▲ Must have successfully completed two actuarial exams. (Spring 2010 exams may be used to meet the two exam requirement).
- ▲ Attach a current unofficial copy of transcripts from attending college/university.
- ▲ Must provide a letter of recommendation supporting academic achievement, leadership and communication skills from professor (preferred) or advisor.
- ▲ Must provide a letter of recommendation from an employer or previous employer
- ▲ Must submit an essay as described below.
- ▲ All requested materials must be included in one envelope. Incomplete applications will not be reviewed.

- ▲ Scholarships are awarded directly to the college/university of choice in the recipients' name.

## PERSONAL ESSAY

In an effort to better understand an applicant's future goals, the selection committee requires a personal essay from each applicant, approximately 500 words, single-spaced and typed. The essay should focus on why you want to be an actuary. Some suggested focus questions you may wish to include are:

- ▲ How have your work experiences prepared you for an actuarial career?
- ▲ What are the qualifications and abilities that have helped you succeed in college and will help you succeed in an actuarial career?
- ▲ What extracurricular activities have you enjoyed most, and how will they help you in your career?
- ▲ Which college courses have you enjoyed most/least and why?

## APPLICATION PROCEDURE

Applicant should:

- ▲ Meet the eligibility requirements.
- ▲ Mail the completed and signed application, transcripts, personal essay and letter of recommendation postmarked on or before June 1<sup>st</sup> to:

**The Actuarial Foundation**  
**Actuary of Tomorrow-Stuart A. Robertson Memorial Scholarship**  
**475 North Martingale Road, Suite 600**  
**Schaumburg, IL 60173**

- ▲ The Actuarial Foundation's selection committee will evaluate all applications and notify scholarship recipient(s) by mail after August 1<sup>st</sup>.
- ▲ Applicants are rated on the information supplied; therefore it is advisable to answer every question as completely as possible.
- ▲ Application and accompanying materials will not be returned.
- ▲ Questions regarding the Scholarship may be directed to The Actuarial Foundation at: [Scholarships@ActFnd.org](mailto:Scholarships@ActFnd.org) or 847.706.3535.

## OBLIGATIONS

Scholarship recipient(s) are required to notify The Actuarial Foundation of any changes of address, school enrollment, or other pertinent information. Recipients are solely responsible for making admission arrangement and fulfilling requirements of enrolling in a full-time course of study at an accredited four-year college or university. Recipients must be entered as a full-time student in the fall term following selection, remain in good academic standing and pursue a course of study that may lead to a career in actuarial science.

*Note: The Actuarial Foundation reserves the right to change or discontinue this Scholarship program at any time and without notice.*
